

Greetings TO ALL **PBCSD ELEMENTARY EDUCATORS**

We are proud to announce our collaboration with the **Science & Literacy Departments**, and we hope you will love teaching through our unique educational book series! There are so many ways of educating the next generation through our books.

from **Professor Clark the Science Shark** and his Gang!

- 🐟 Our books contain many of the State Standards listed in the back pages as a guide for teachers.
- 🐟 The books are filled with Florida state testing vocabulary words/definitions & Fun Fin Facts for extra investigation/learning.
- 🐟 We are available for school visits to your classrooms or auditoriums. Kids love to meet authors & illustrators!
- 🐟 Keep track of the book sets sold & win prizes, additional books for your classroom, free visits and more!
- 🐟 Our Fintastic STREAM Guide Book is due out this fall (partnership with SFSC&A), along with Book 6: The Vacation, our 1st Chapter book, featuring Mia, the paddleboarder who has a special gift.
- 🐟 Help us help you to "Educate the Next Generation!"

Parents and students can find & purchase our books through our interactive website: www.professorclarkthescienceshark.com.

How jawsome that the students can use our books and interact with their parents and siblings at home as a study guide! Kids love **Professor Clark the Science Shark**. Even reluctant readers can't get enough of PC!
